CLUB MEMBERS,

Let's talk about business first, and then we'll get to the (admittedly) sappy portion of this letter. As I mentioned in the November newsletter, the Club's Christmas Party is fast approaching. It will be held in the Riverside Ballroom on January 6, 2017 – cocktails at 5:00 p.m., followed by dinner at 6:00 p.m., and a DJ from 7:00-11:00 p.m. Debbie and Don Vanden Avond have put a lot of time and effort into making this party a great way to end the year (or, start the year, depending on your view). Let's show out support by attending and having a wonderful time! Further details are provided on the Club's website.

For anyone who wasn't in attendance, we had our Annual Meeting on Tuesday, December 6th. We got a lot done at this meeting, including passing the budget for the upcoming year. I want to thank everyone for the great dialogue and ideas that were tossed around – without that level of conversation, this Club would not be nearly as great as it is. Finally, we also made the final announcement regarding the Bylaw Amendment Vote that will take place at the January meeting. You may vote between now and then as well – further details are provided later in this Newsletter. Just remember – since the vote is taking place in January 2017, **you must have paid your dues for 2017 by the time of the January meeting to have your vote count** (as a reminder, Section 4.05 of the Bylaws states that "Annual Dues are payable on or before the first Tuesday in January."). Please pay your dues and cast your vote so your voice can be heard.

Alright – the sappy stuff. As you know, I am stepping down as President, so this will be my last newsletter. I have served in this position for two years, and it has been a wonderful experience. I have learned a great many things, and I have made a great many friends. I truly feel that I have become part of something bigger than I could ever imagine. But, like all good things, it must come to an end. I believe it is time for some "new blood" to take this Club to an even greater place. Enter Mr. Tony Steffen, your President-elect. While Mr. Steffen is new to the Club (relatively speaking), he has already made a great and lasting impression. He is a smart, dedicated, personable gentleman. While I am proud to be able to call him my President, I am even more proud to be able to call him my friend. As he takes over in January, I have every confidence that, in the words of the other President-elect, he is going to "Make the Club Great Again".

I give many, many thanks to the new Board and Officers that are stepping up for 2017. Your willingness to volunteer and take a role in the administration of this Club will be felt, and appreciated, for many years beyond your tenure (however long that may be). As a *member* of this Club, I sincerely thank you. To the outgoing Board – it has been a fun, wild ride for the past two years. We have had many good times together, and I have gotten to know each of you on a very personal level. We have built friendships that will endure the test of time and, for that, I am forever grateful. Thank you for your service.

In closing, I thank you for putting your trust in me for the last couple of years. I sincerely hope that my service met your expectations. To all – Merry Christmas, Happy Hanukkah and/or depending on what you celebrate, Happy Holidays! Keep the rubber on the road!

Justin Bauer, President, Corvettes of the Bay

Bylaw Amendment to Amend Article XIV (Regarding Future Amendments to Bylaws)

In accordance with the Bylaws, at the October 2016 meeting, a written proposal was submitted to the Secretary that was signed by 10 members in good standing requesting that Article XIV of the Bylaws be amended to state as follows:

"An amendment to the Bylaws may be proposed by submitting a written proposal to the Secretary, signed by any ten members of the Corporation in good standing at any regular monthly meeting of the members. The proposal should include the Article number to be amended, requested changes and a summary of what the benefit would be for the Corporation. Within thirty days the Board of Directors shall review the proposal to determine if such an amendment is in compliance with State and Federal laws pertaining to nonprofit organizations. If the Board of Directors determines there is no liability to the organization from such a change, it will be presented to the members at the next regular meeting of the members and opened for discussion. The proposed change will be published in that month's newsletter for all members to review. The proposal will then be voted on at the next regular meeting of the members. (Two months from initial presentation of the proposal to the Secretary.) Ballots shall be printed in the newsletter that contains the proposal to allow members who are not expected to be present at the voting meeting an opportunity to vote. Ballots can be mailed in to the club's official mailing address, emailed (to an address identified by the Board) or presented at the monthly meeting. The proposal will be considered approved and adopted if passed by a *majority* of all members who actually voted. The Secretary will file the change with any State or Federal authority requiring notification of such change, if necessary.

An amendment required for the organization to remain in compliance with state, federal or local requirements can be approved by a two-thirds vote of the Board of Directors. The issue will be discussed with members at a regular monthly meeting of the members."

As this proposed Amendment may be confusing, a brief summary of the change is warranted. As *currently* written, in order to amend the Bylaws for any reason (e.g. change the meeting time, change the number of Directors, etc.), two-thirds (2/3) of **ALL** Members of the Club must vote in favor of passage. As a result, any Member's failure to vote constitutes a "No" vote. Given the size of the Club, the Members signing the Proposal determined that a review of this process is warranted. If the proposed Amendment passes, then, *going forward*, all that would be needed to amend the Bylaws would be a "Yes" vote by a *majority* of the *Members who actually vote*.

The proposed Amendment was presented to the Club, and opened for comments, questions, suggestions, and general discussion. Voting may be made (i) via mailed written ballot (ballots included in this Newsletter), (ii) via email to corvettesofthebay@corvettesofthebay.org (no need to include a copy of the ballot, just send a message with your full name and a "Yes" or "No" vote), or (iii) in-person ballot voting at the January Monthly Member Meeting. **You must include your name on your ballot (if sent via mail or in person) for your vote to count.**

Passage of the proposed Amendment requires a "Yes" vote by 2/3 of all paid Members of the Club as of the final day for voting (January 3rd, 2017) (failure to vote is equivalent to a "No" Vote).
IMPORTANT: As the final vote will take place in 2017, you must have paid your dues for the 2017 season by THE TIME THE VOTE IS CLOSED on January 3rd, 2017 in order for your vote to count!!
