Hello Fellow Members:

We are cruising through summer with fall on our heels; there are still plenty of nice days to get the Vettes out. I see there are a few members buying the new 2019 Vettes which have been priced pretty good lately with the new C-8 2020 Vettes coming out soon. Should be interesting to see the first C-8 2020's hit the road.

I hate to talk about the politics in the club, but we really need a few members to step up and fill in our upcoming vacant spots on the Board. One of the things I admire about this club is that members come up to us and thank us for being Board Members; that really means a lot to me. It's usually the Old Fellers. 😊 I thought I would throw that one in for grins.

As most of you know, I always like to throw in something from the past in these letters. Most of us rode a school bus to school. Well, we had the school bus parked in our driveway, so all we had to do was hop on that ice-cold bus in winter and Mom would drive us to school. My mother didn't put up with any crap on the bus, so if two boys started fighting in the aisle, she would jamb on the breaks, which usually stopped the fight (not really the right thing to do and no kids ever lost their front teeth hitting the seat in front of them, but that was my Mom).

Once again, I will quit babbling about the past and let you Guys & Gals enjoy those fancy cars.

Last thing before I go, **please drive safely and have fun this summer.**

Until next time.

Your President

Don VandenAvond
