## Hello Fellow Members:

I hope everyone is enjoying their Labor Day weekend. It always seems like the end of summer and the time for kids to go back to school. We are still dealing with the Covid virus, so I hope everyone is staying safe and healthy.

I don't like to mix politics with pleasure, but in our club we have three board positions that are up for grabs, and the president's spot could be replaced as well. I did have some interest in one of the positions, but we still need more members to step up.

I will say being the president of this club is very rewarding. It is so nice to hear members tell me how nice a job our board is doing after each monthly meeting. Hearing comments like that definitely makes it all worthwhile. A big thanks to all the members who do that. As I have said, we do need more members to help out on the board so we can keep this **awesome** club going.

Throughout the last couple years, I have always ended my letters with one of my true-life stories that I hope everyone can relate to. I told you guys about the days of working on old cars, camping trips, life with a huge family, and eventful family trips. With all those stories, you're probably wondering how the heck I made it into the club. 😊

One thing to remember is this is everyone's club, so enjoy the rides and all the stories your fellow members tell whether they are true or not. 😊

Please be safe and enjoy your fancy Corvettes.

Your President

Don VandenAvond

### Summary of Past Runs:

Dale & Kathy Ott led a run to Hobart Park in Chilton on August 20. Ten cars enjoyed the run and fun at the park. Everyone received a coupon for \$10 for food and drinks.

Rick & Sally Northrop talked about the Auto Gallery doing a fundraiser for Alzheimer's on August 30. The group was divided into two groups, one going to the east side of Green Bay and the other to the west. They visited a lot of homes that deal with this type of illness.

### Upcoming Runs and Events:

**Tip of the month:** For waxing your car, a suggestion was made to try and use Griot's Garage to give your car a great shine. Other products were mentioned also, costs are low and work great.

Harley Dellise, our youngest Corvette driver, was invited up to talk about the fun he had the IMSA race weekend at Road America. It happened on his birthday and his dad took him there. They saw lots of different cars, and even enjoyed the run for only Vettes on the racetrack. Lots of cool things for him to enjoy his day. Thanks, Dad, for paying for everything!!!!!!

We are still trying to get a Fall or Christmas party going. We believe we may have a plan for a fun Fall Vette Fest, to happen in October. Hoping all goes well and plans come together. We will let you know as more information comes.

One more thing, we are in need of some new board members to help in keeping this great group going. Please let any of the board members know if you are interested in any position, new blood is always a bonus, more fun and new adventures to come.

**Adjournment:** President VandenAvond asked for a motion to adjourn for the evening, motion by Russ Tapley and seconded by Ken Lyman at 7:45 pm.
