Hello Fellow Members:

With the Covid numbers going up, I am hoping everyone and your families are staying safe and healthy. I think skipping the November meeting was a good move to keep all the members healthy. I was thinking about the December meeting, and I would like a little input on whether we should have that meeting or skip it. It is hard to ask all members to pay their membership dues in these tough times, but the club has certain bills that have to get paid and we do have a budget to stick with also. I am hoping we can get back to normal soon and start enjoying all our activities that we are used to.

Our club would like to give our condolences to Fred and Penny Bartman for the loss of their daughter. It is always tough to lose a family member. We also need to give our prayers to Leroy Edinger and hope he has a speedy recovery.

Veterans Day is this week, and we cannot forget all the men and women who fought for our freedom. A big **Thank You** to all the Veterans for everything they did to keep our country a great place to live. One thing I'll always remember is when they play the national anthem at any sporting event, they always start off with "please stand and remove your hats." I always felt that was in respect for all the Veterans out there (just my two cents).

By now I would think most of us have our cars put away and winterized. We only have five months left until we get them out again. That is not what you wanted to hear, but you could set up your lawn chair and stare at your car if that works.

All right fellow members, please stay Covid-free, and we will get together soon.

Your President

Don VandenAvond
