Hello Fellow Members:

With Christmas just around the corner, hopefully everyone is getting ready to enjoy a nice Christmas with family. Normally I would have added "friends" in there, but this Covid virus is still hanging around, so we need to be careful.

I would like to say it has been nice being your President. I cannot say enough about all the awesome board members who have served with me and made my job a lot easier. I am going to miss the guys who sit up front in the peanut gallery who like to heckle the speaker when he is trying to conduct the meeting (all good).

We have two members, April Basten and Jason Dellise, who are stepping up to take over the President and VP roles in this club, so please be patient with them as they learn the process of running the club. April will be the new President and Jason will be the new VP. If anyone else is interested in either of these positions, please contact me before January 1st.

I know you are all going to miss reading my life stories about my younger years, but after a drink or two I can always tell you more of them. This is a great club, and I am glad I had the chance to be on the board with a great team. I am not going anywhere, so let's enjoy this club and help out whenever we can.

Merry Christmas to everyone and a Happy New Year!

Your President

Don VandenAvond

Budget News

Normally the budget is presented for approval at our December Annual Membership Meeting. Due to that meeting being canceled because of COVID, the budget has been posted on the Corvettes of the Bay website in a secure spot for members only to view. Members log in as usual, and at the bottom of the Welcome page there is a link to "View the proposed 2021 Club Budget." There is another link in the sidebar on the right in the "Members" section called "View the 2021 budget."

Club members who receive a paper copy of the newsletter will receive a paper copy of the budget.

If you have any questions or comments, please contact Diane Lyman at dtlyman@hotmail.com.
