## Hello, Season's Greetings, and Welcome to 2021!

I hope this correspondence finds you all well as we say goodbye (or good riddance) to the year 2020. I think many of us would agree...it's been a crazy one, to say the least!

With all the adjustments made this past year, I am yet another one. Fear not, I come in peace...and I'm hoping this is a good adjustment for all involved.

First, I'll say "thank you" to my predecessor (and high school classmate), Don VandenAvond, for talking me into giving this a try. I've never been president of anything before, but as I am writing this...it IS still 2020...so, why not!?

Also, I'd like to thank Jason Dellise for stepping up as Vice President and having my back. Jason has his own stories to tell, so please do ask him for them!!

Let me introduce myself. I am April Basten...originally from Bay Settlement. I acquired a fondness for classic cars thanks, "in parts", to my brother, dad, and grandfather who tinkered with, repaired, and simply drove them.

The Corvette I now own became "part of the family" when my dad decided he would have one...and then another, which my sister currently owns...but that's another story. My dad passed the cars on to us. He died unexpectedly of a massive heart attack last year in October and never saw us drive them as the owners of each.

No doubt, we all have our own stories of our first Corvette. Though mine is certainly bitter-sweet...I will learn as I go and create new memories...going new places...with new people...in the old '88 Corvette.

In closing, let me simply say this: I look forward to getting to know you all better...and I hope we all have a healthy, joyous, and wonder-filled year together.

Make room for the VRROOOM!! 🚗

CHEERS TO THE NEW YEAR!! 🥂

Your President

April Basten
