☺ WELL, LOOKY LOOKY! 🗨️

WE HAVE SNOW BIRDS BACK FROM THEIR SOUTHERN MIGRATION...JUST IN TIME FOR SOME JUNE VROOM!!! 😊

We had a great turnout for the May meeting!! Thank you for your attendance on such a rarely nice spring night and a hearty WELCOME to you all!

It'll take some time for some of us newbies to get to know you all, but that's what we're here for...to encourage more opportunities to foster new friendships and enjoy the riding seasons together.

Please take a few moments to peruse the list of suggestions in our last newsletter. Let's start filling the calendar with shows and events that are already scheduled in our surrounding communities and find people who are able to attend those dates and times.

I'm sure there are plenty of unsuspecting places unwittingly awaiting the roaring parade of cars to come through their cities, towns and villages who would be in awe of the array of fine vehicular specimens.

Maybe you have friends or relatives who live out of town who would give some advice on sleepy little places who might enjoy a little kick...or bustling areas that would be sure to capture many ogles of the shiny steel-hearted growling machines.

Get those plans pinned down and remember that we have weekends with 3-4 days of driving potential. We're not confined to one event per month. Stretch out of your comfort zones and try something new... find a new place to go.

People are willing to help you with the details. Please take them up on the offer if you're unsure of what to do. You'll catch on and become a pro in no time!!

Remember...this club is in place to create opportunities for EVERYONE to get out and enjoy time and simply relaxing on the road...as well as some of us showing off our good fortune.

Make plans to spend time with the collective VROOM!!

I'd like to remind people with the dinner runs and such...PLEASE BE WISE...DON'T DRINK & DRIVE! Plan accordingly!

Safe travels to all!!

## Open Forum:

Anyone who has not renewed their membership for 2021 is being deleted from our roster and will no longer receive the monthly newsletter or club emails.

OK, a big plea for volunteers!! The season is upon us and we are in need of people to come forward to help in planning events and runs. If there is a place that you like to go to, and think we would like it, plan a route and take us there. We'll probably like it too. There are also past runs in a binder you can look at to give you ideas. If anyone has a run idea and is not quite sure how to get it started, we happen to have experts waiting to help you plan it out. Tony & Sally Steffen and Ken & Diane Lyman are willing to help. Contact them at either email address listed: [tonysally.steffen@gmail.com](mailto:tonysally.steffen@gmail.com) or [deuce396ss@hotmail.com](mailto:deuce396ss@hotmail.com). And just remember we can have more than one run a month. People who cannot make one run may be able to make it on a different date, a win-win for all.
