Hello Vette Friends!

I hope you all have a pleasant Father's Day.

Speaking of Vettes/Vets...

We've reached the midpoint and peak driving time of the year. As we venture out on our rides and enjoy the freedoms we have to do just that, let us remember a few things.

May brings us Memorial Day

June brings us Flag Day

July brings us Independence Day

As we cruise in our Vettes, let us all please remember our Vets. They have given of their freedoms to give us ours. Sacrifices have been made, and it has changed many lives quite significantly.

A huge THANK YOU to all - in our club, in our families, in our circles of friends, and in our communities - who have served and who are serving. Those words will never express the gratitude for your sacrifices.

Please remember to include these people in your social activities. Give them a call. Make a friend. Take a ride with them. Grab coffee. Go for lunch. Share stories.

When you see someone out and about, let them know you see them. Say hello and thank you. Give a kind word to someone who may be struggling with complications of their service...seen and unseen.

Our June Flag Day ride to the Veterans Home is to honor our local people currently in that facility. This is just a very small token of a greater appreciation for their part in our ongoing military history. Hopefully, it helps brighten their days a bit.

Enjoy the peak of summer with your racey hot rods. Grab a friend and cruise the Farmer's Markets. Soak in the sun with a day at the beach displaying your beautiful machines.

Remember to be courteous, and while awing and humbling your fellow drivers on the roadways... whatever you do to make room for the VROOM ... SAFE TRAVELS to you all!

May God Bless you and yours...and may God Bless America...the home of the free...because of the brave!
SALUTE!
