

Corvettes of the Bay

Chicken Run

Sunday, October 5, 2014

Leaders: Dale & Kathy Ott

1 PM meet at Target, 2050 Lime Kiln Road, Green Bay (Bellevue)

1:15 drivers meeting and depart

We will be traveling south toward Kettle Moraine and will be driving through Wayside Morrison and Collins. Our vet members from Manitowoc area might want to meet us there.

2:15 stop at Three Guys and a Grill at the Sheboygan Marsh. Most of the park remains a wilderness, but a 30 acre section of the park is developed with fishing piers, camping and a tower.

3:00 travel around Crystal Lake and on a few rustic roads. Plans are to drive past the Old Wade House in Greenbush. We will be going through the Holy Land on our way to Malone. On October 5 the color should be great.

4:00 arrive at La Clare Farms. This is a newly built farmstead creamery. They have a great bistro and patio where we can enjoy ice cream, wine, beer, cheese and see the goats. Bring a cooler should you want to purchase their award-winning artisan cheese.

4:30 depart and travel along the lakeshore of Lake Winnebago.

5:15 arrive at Van Abels, Hollandtown, WI. Van Abels has been voted the best in the valley for their chicken.

Menu: Country style broasted and roasted chicken with all the trimmings, dessert and beverage for \$12.50 plus tax and tip (10.75 for seniors). We can also order off the menu.
