You will need the following information to open an I-PASS account:

- Email address
- Credit/debit card information
- Personal information of account holder
- Driver's license number
- License plate number(s) and type(s)
- Model/make/year of vehicle(s)

Our toll charge without the I-PASS will be about \$9.00 each way.

Why Use I-PASS?

I-PASS customers get a 50 percent discount on tolls.

I-PASS is:

- **Faster** – I-PASS saves drivers an estimated 10 minutes per trip and 2 hours of travel time per week.
- **Safer** – I-PASS eliminates the challenge of changing lanes to reach the cash lanes at toll plazas.
- **Easier** – I-PASS frees customers from worrying about finding exact change or remembering to pay their tolls online.
- **Greener** – I-PASS reduces pollution because customers drive non-stop and avoid idling at tollbooths.

When you get to the amount screen pay attention to the replenishment amount. It defaults to \$40 but you can change it to \$20.
